

Edition 1, No. 1

Hello from [Basecamp!](#)

Welcome to our inaugural Adventure Woman Newsletter, News Flash! Basecamp wants to keep you informed and inspired as we strive to let you know what new and exciting adventures and women are out-n-about in the world.

We are featuring four fabulous new faces this week. In our [Adventure Interview](#) meet Hannah, a fearless Brit, who is spending a year away from home to work in Dubai. From [Notes on the Trail](#) we have three diverse and interesting adventure women: Cindy, who rode her motorcycle (solo!) cross country; Carissa, who tells the chilling (and thrilling) tale of dog sledding in Greenland, and Teri, who celebrated her 60th birthday zip lining in Costa Rica with her closet friends. Four women who will entertain and motivate you.

Our [Destination of the Moment](#) is Nova Scotia, Canada. Read what to see, eat and visit. Plus, why you should go. You'll be surprised!

Also debuting on AdventureWoman.com is [Adventure Howl's](#), Mt. Walmart, and other retail mountains, scaling the vast and rugged terrain as retail warriors: Seven Secrets of Stress-free shopping. Learn seven tips to make your next shopping experience a 'pleasant adventure instead of a 'challenging hassle.'
