Happy Valentine's Day to all Adventure Women. We have our sweetest edition for you filled with our love for adventure.

In our [Adventure Howl](#) we are celebrating Florence and the Tuscany Region of Italy. Discover our Seven Must See Sights of this romantic area. And what could be more romantic than the [Villa San Michele](#)? This beautiful Villa is attributed to artist, Michelangelo and sits perched on a quiet hilltop overlooking the lovely city of Florence. Visit the Villa in [Retreat to Relaxation](#).

We have three fabulous new adventure stories in [Notes From the Trail](#). Meet [Marcy Harris](#) who shares her excitement for hunting; [Lucy Bowden](#) who is an avid fly fishing enthusiast and instructor, and [Jessie Metcalf-Burton](#) who reveals the thrills (and humor) of rock climbing.

When [Barb Albrecht](#) got married her husband took *her* last name. Read about Barb's modern approach to marriage in [Trix's Adventure Interview](#). All liberated brides must read this!

In [Trix's Fishing Tips](#) we discuss organizations that use 'fishing' as a resource to help provide a healthy and positive recovery for women who have cancer or are injured in the military. Pass the word about

And don't forget to check out our [Adventure of the Moment](#). While visiting the Tuscany Region of Italy you must see the world famous and colorful, Il Palio bareback and breakneck horse race.

Adventure Woman hopes your Valentine's Day is filled with love and passion - *for life's great adventures!*
