Gone Fishing! *(And Lots of Darn Good Adventuring)*

Do you love roller coasters? Wanna try Kayak Fishing? Have you ever imagined swimming with wild manatees? Dream of a relaxing day snorkeling in pristine waters? Do your kids want to Get Slimed? Do you want to sample over a dozen countries in one day! Then visit Florida!

Like all of us, the Basecamp Manager of Adventure Woman needs an occasional break to have fun and well, *adventure!* This NewsFlash we're "[GONE FISHING](#)" but taking you with us on vacation to sunny Florida. Florida is a haven for "Fun in the Sun" and the opportunities for exciting adventures are endless. Below are our recommendations (we just did 'em) for a fantastic trip.

Busch Gardens: Need a thrill? Visit Tampa's Busch Gardens for exotic animals and rides that will get you screaming and your heart pumping. An amazing new rollercoaster was just added this month! Coaster-junkies can't miss this theme park! Visit: www.buschgardens.com/Bgt/

Kayak Fishing: Even if you're not a die-hard fisherwoman, you'll love this trip. Fishing from a kayak is remarkably easy and really enjoyable because you can fish sitting down with a comfortable back rest.

You can also opt to cast standing-up up in the warm sandy waters. We saw schools of dolphins, fishing egrets, flying pelicans and caught a few good size fish, too. We recommend Neil ([See, Neil's Adventure Woman Interview](#)) at Strike Three Kayak Fishing; a knowledgeable and friendly guy who makes fishing a positive adventure. <http://strikethreekayakfishing.com>

Love is in the Air! While in Florida we helped celebrate the wedding of Adventure Woman designer extraordinaire, Kelsey with [Kelsey-Laine Designs](#). This amazing woman should be a wedding planner, as well as, a web designer – the attention to detail was phenomenal and beautifully moving. Best wishes to Kelsey and Wes – we hope you live in wedded bliss always!

We also attended the wedding of our long-time friend Kourtney who married in a very posh ceremony in Ybor City (former cigar capital of the world and a funky (highly recommended) place to visit). Big congrats to Kourtney and her husband, Brandon. May the sun continue to shine on you both!

Lastly, if adventure is the spice of life then friendship is the soul food. A big thank you to Adventure Woman ([Adventure Woman Stay-cation Article](#)), Debbie and her family, for their gracious Southern hospitality and unforgettable lobster feast for the Adventure Woman crew. I’d have a stay-cation here anytime!

Questions? We love ‘em! [Ask Adventure Woman](#).

Until July, tight lines and safe trails,

Beth, Ava, Trix and the Adventure Woman Basecamp Staff.
